

LiTE-HAUS seeks artists based in BERLIN to exhibit artworks in a group show titled "NOW & THEN".

Paintings + Illustration + Prints + Lithographs + Photography + Collage + Assemblage + Sculpture + Textile

THEME: "NOW & THEN" explores the differences in how we live our lives now compared to the past. This is an expansive topic that could include many subjects. Some people feel nostalgic for the traditions of the past, while others warn that the values of "the old days" cripple progress. The world is changing rapidly. How do we live together in this brave new world? Some examples of topics that could fit into this theme, but not limited to these:

The changing face of Europe as conflict and climate change create more migration.

How wars are fought now with new technologies.

Gender identity, bodily autonomy, and changing roles.

The use of artificial intelligence in everyday life.

The passing of time

Artworks can be nostalgic, futuristic, and historical. We are interested in artworks that inspire dialog, while also being high quality of artistic skill. A description about the work would be helpful, but no CV is needed.
