

LiTE-HAUS seeks artists *based in Berlin* to exhibit artworks in a group exhibition in July during the 48 Hour Neukölln Festival. Only artists who have *not* been selected for the festival can apply.

The festival theme is Outside/In and we will transform two LiTE-HAUS rooms into outdoor scenes.

Raum 2 is an urban scene with graffiti, tape art, abstract art, and unique furniture or sculpture that enhances a street scene. We're looking for *completed* artworks that help us mimic a typical Neukölln street - without the trash. The room will be a chill environment where we'll also encourage visitors to create their own "street art" on paper to be added to the exhibition.

Raum 3 is a picnic scene. We're looking for artworks or photography depicting landscapes or nature scenes, including insects or animals, or art that is made with natural materials. Artists are also welcome to submit their concepts for an installation on our rear terrace in the residential courtyard.
